

Belfast **Harbour**

NOTICE TO MARINERS

No. 18 of 2020

Dredging and hydrographic surveys in **Belfast Harbour**

Dredging and hydrographic surveys of the Victoria Channel from No.12 beacon inward to the inner harbour, including the Herdman, Musgrave and Victoria channels is scheduled to commence on the 14th October 2020 and last for approximately 2 weeks.

This work will be carried out by the following Vessels:

TACCOLA - Trailing Suction Hopper Dredger LOA; 96m

Supported by the;

ALFON LLIGWY – Plough dredger LOA; 22m

NORTH STACK – Hydrographic survey vessel LOA; 14m

It is possible that a one way traffic system will be put in place as required by the VTS to manage the safe movement of vessels.

All Vessels involved in the Dredging Operation will maintain a listening watch on VHF Ch12 and show the required lights and shapes.

Further information is available from Belfast Harbour Radio (VHF Ch 12).

Trailing suction hopper dredger - TACCOLA – Callsign; LXTC

Plough Dredger - ALFON LIGWY – Callsign; MLEC7
