NOTICE TO MARINERS

No. 4 of 2022 - Remediation works at VT4

Mariners are advised that for a period of at least 12 weeks, spud barge CW3 accompanied by tug BEAVER BAY, will undertake underwater remediation works involving stone laying on the seabed adjacent to VT4N berth. When not working, they will berth at VT4S

All vessels are to keep well clear and pass at an appropriate speed to minimise wake. Vessels bound for VT4N will be provided with a positive report from Belfast VTS when the tug and barge are clear of the berth. This notice remains in force until cancelled.
