

Belfast Harbour

Operational Notice

NO 5 OF 2017

Security of Equipment on Operational Quays

Plant, vehicles and equipment must not be left or parked on operational quays without the prior permission of Port Operations.

Any unattended plant, vehicles or equipment must be left in a safe and secure condition to prevent unauthorised access and use.

Failure to comply with the above requirements may result in the plant, vehicle or equipment being removed from operational areas.

PORT CONTROL

BELFAST

18th August 2017

CAPTAIN K G Allen

HARBOUR MASTER
