

Operational Notice

No.11 of 2020

Fresh Water Hydrants – All Quays & Operational Areas

Following the use of fresh water on all quays and operational areas please be advised;

- Fresh water hydrants must be turned off when not in use and immediately after use
- Hydrant covers must be closed and secured immediately following use

If a hydrant is broken or if a hydrant cover has been noted as open, please report as soon as possible to Port Operations or Belfast Harbour Police (out of hours).

Port Operations: 028 9055 3504
Belfast Harbour Police: 028 9055 3000

Personnel working on quays and operational areas should remain vigilant and assess surface conditions prior to access.

This operational notice supersedes Operational Notice No.16 of 2014

A handwritten signature in black ink, appearing to read 'K G Allen'.
