

## Operational Notice

No.09 of 2023

### HG1 dismantling on Gotto Wharf

Important information regarding the forthcoming HG1 dismantling at Gotto Wharf.

**Fencing Installation:** The delineation of the dedicated work area is scheduled for the week commencing December 18, 2023.

**Commencement of Dismantling:** The actual dismantling works will initiate at the beginning of January 2024 and will continue until the end of the month.

This delineation is essential for all quay user's safety, ensuring an organised workflow, and minimising disruptions to port activities.

Your cooperation during this operational phase is appreciated. For any inquiries or additional information, please contact Port Operations.
