

NOTICE TO MARINERS

No.19 of 2025 – Marina Expansion Works – Belfast Harbour Marina

Mariners are advised that marina expansion works, including piling, pontoon installation, and associated marine construction activities, will take place within Belfast Harbour Marina between November 2025 and January 2026.

The works will involve the removal of existing pontoons, installation of new pontoon sections, and the placement of new piles to support the extended marina layout.

An exclusion zone will be established around the work site, clearly marked by marker buoys and ropes deployed by the contractor. Unauthorised vessels are strictly prohibited from entering this area.

Mariners are requested to:

- Maintain a safe distance from the exclusion zone at all times.
- Navigate with caution in the vicinity of Belfast Harbour Marina.
- Comply with any instructions or directions issued by Belfast Harbour VTS

Updates on progress and any changes to the exclusion area or timescale will be promulgated via subsequent Notices to Mariners.
