

NOTICE TO MARINERS

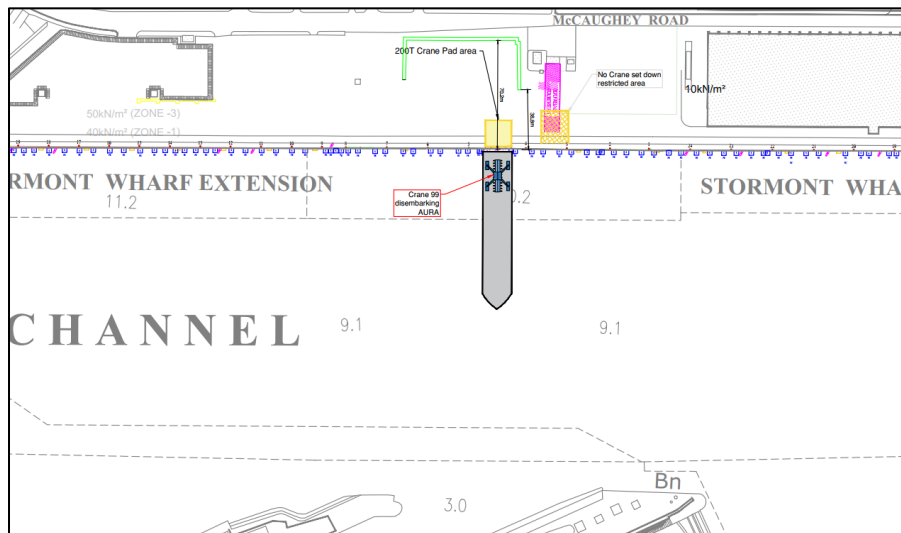

No.8 of 2026 – Heavy Lift Vessel Operations

Stormont Wharf Mediterranean Moor Arrangement for Crane 99 Delivery

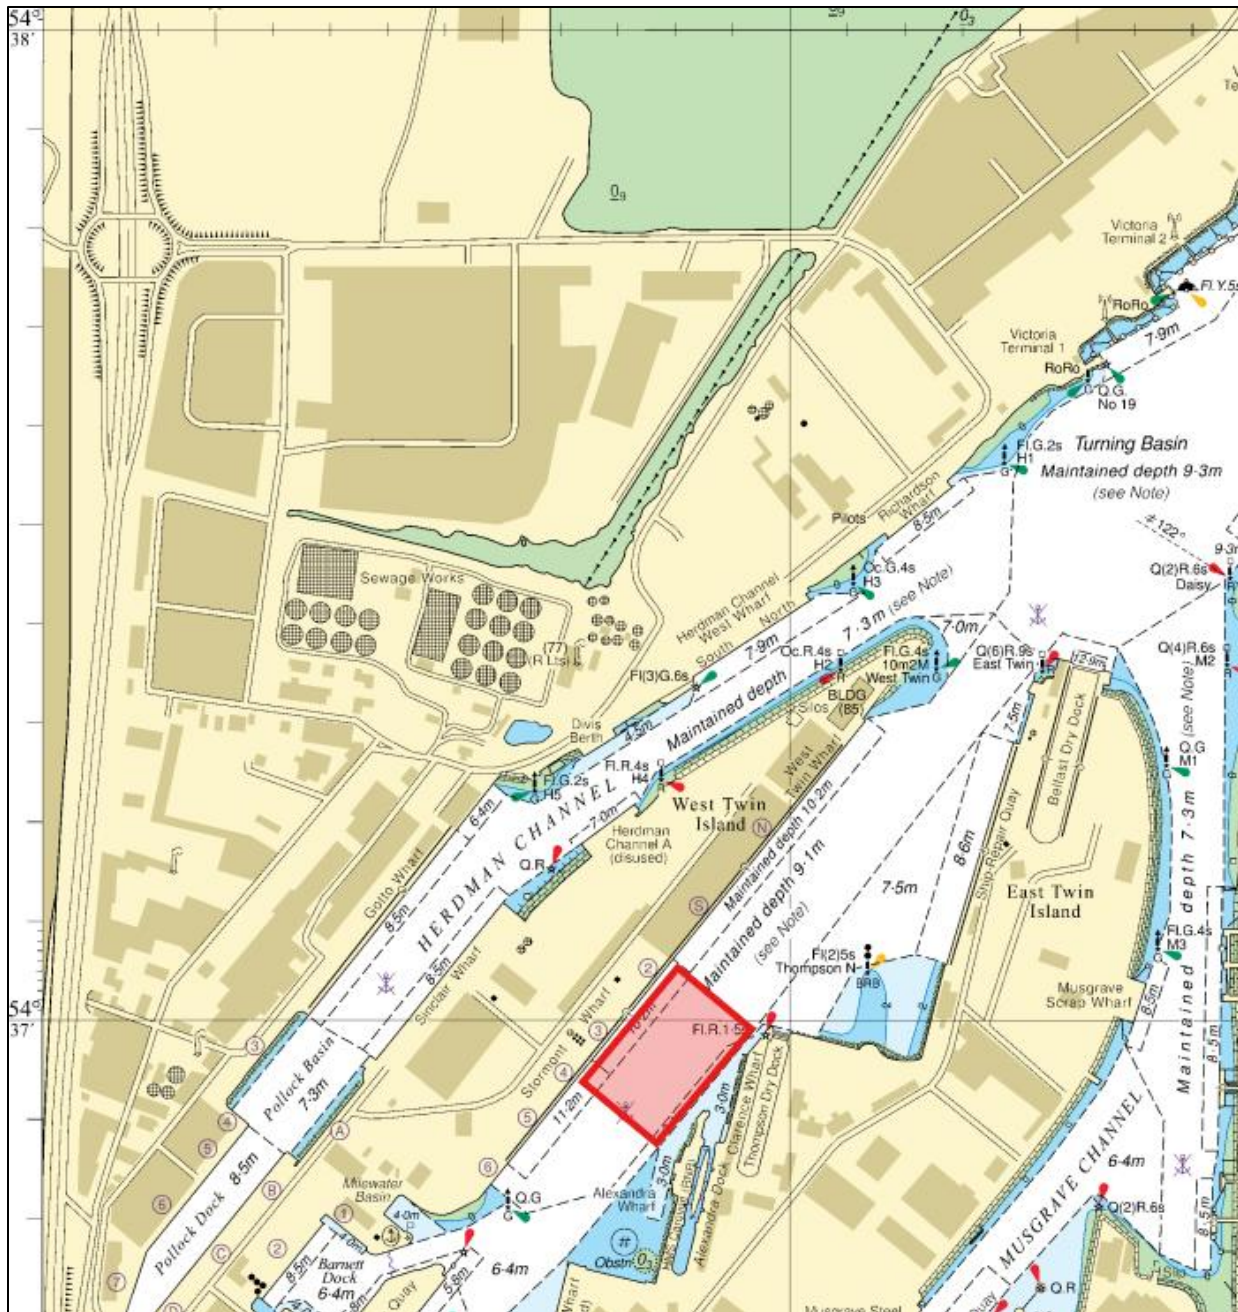

Mariners are advised that Heavy Lift vessel AURA (IMO: 9395276) is expected to arrive to the ST3 berth on Stormont Wharf in Belfast Harbour on 28th April 2026 to delivery Crane 99:

When tidal and weather conditions permit, the vessel will manouvre into a Mediterranean Mooring arrangement to discharge Crane 99, as shown below:

Navigation will be restricted through the section of the Victoria Channel highlighted below whilst this operation is ongoing:
