

Operational Notice

No.9 of 2026

Delivery and Commissioning of Crane 99 on Stormont Wharf

MV AURA is scheduled to arrive at Stormont Wharf on 28th April 2026 to discharge a new crane – Crane 99.

To facilitate the delivery and commissioning of crane C99, Stormont Wharf Bunker ST3 will be unavailable from Saturday 25th April to Saturday 23rd May 2026.

All cargo must be cleared from the bunker by 25th April 2026 to allow site preparation.

The crane will be discharged using a mediterranean moor.

During this critical period, vessels will not be permitted to pass in the vicinity of MV AURA.

Further updates will be issued as required.
