

Operational Notice

No.14 of 2026 – UMI Dock Line Replacement Works – Pollock Dock / Watkins Road / Northern Road

Port users are advised that works to replace a molasses pipeline will take place from 17th August 2026 and to last until October 2026. The works will extend from Pollock Dock, through Watkins Road and via Northern Road.

Temporary traffic management including barriers, signage and traffic signals, will be in place throughout the works. Access will generally be maintained, although a 30-minute road closure at Watkins Road and temporary diversions will be required at certain stages.

All port users are requested to:

- proceed with caution and observe all traffic management arrangements
- remain alert for construction traffic and changing road layouts
- follow any instructions provided by site personnel
