

Operational Notice

No.15 of 2026 – Gotto Wharf Civil Engineering Works

Port users are advised that AG Wilson Civil Engineering will be carrying out the following works from Monday 31st August 2026 in the areas highlighted below:

- Manhole chamber refurbishment and valve instalment: lasting 4-5 weeks
To facilitate these works, please keep the highlighted area shown below clear of cargo, equipment, and vehicles at all times.

- Manhole cover replacements: lasting 3-4 days

CAPTAIN K G Allen
HARBOUR MASTER
