Operational Notice

No.24 of 2026 - Stormont Square – Fender Pile Reinstallation Works – Update 3

Contractors that were undertaking works to reinstall the fender pile located between **Bollard 4 and Bollard 5 at Stormont Square** were unable to complete works in the timeframe previous laid out in the past Operational Notice. Further works are now scheduled to commence on **Friday 27th & Saturday 28th November 2026** to complete the fender pile reinstallation.

Until then:

- Vessels are not to berth **between Bollards 4 and 5 unless approved by DHM.**
- Bollards are available for tying up

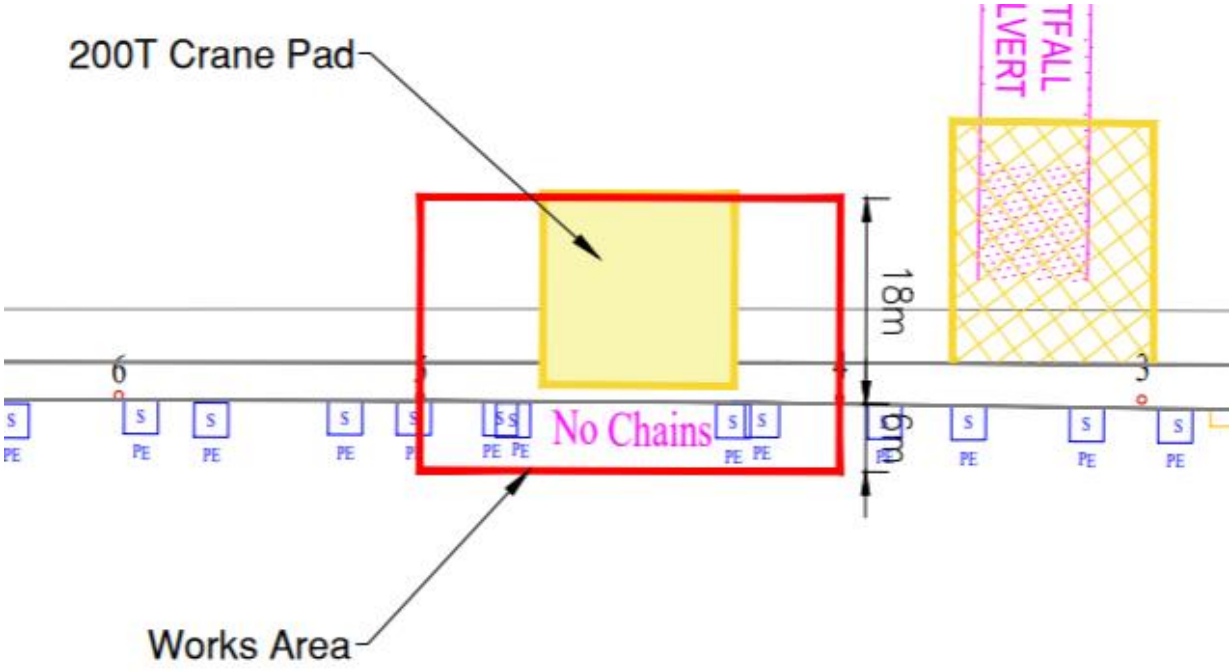

During Friday 27th & Saturday 28th November 2026:

- **Access restriction:** The work site will be restricted to authorised personnel only.
- **Bollard availability:** Bollards 4 and 5 will be unavailable for vessel use until the works are complete.
- **Vessel operations:** Masters, vessel operators and relevant personnel must ensure that alternative mooring arrangements are made where required.

All port users are requested to take note of these restrictions and plan their operations accordingly.

The restrictions will remain in place until the works are completed, and the area is confirmed safe for use.

For further information, please contact Port Operations.
